# YOUR SAFETY IS IMPORTANT TO US

**BITZER ID:** All visitors must wear a **visitor ID** clearly displayed at all times while they are present on company grounds. Visitor IDs are handed over to you by the staff responsible when you enter the building. Please **return** your visitor ID at the end of your visit.

**Taking photos or filming is strictly forbidden** on company premises. If it is necessary to take photos, you must obtain prior permission.

**Smoking and consuming alcoholic drinks or any form of drugs is strictly forbidden** in the buildings. Smoking is only permitted in the smoking shelters at the locations marked on the map.

All visitors must wear **shoe protection** if they walk outside the aisles marked by yellow lines in the production halls. Alternatively, safety caps must be used. Visitors who remain for any time at these workplaces must also obey the blue warning signs requiring the mandatory wearing of **personal protection equipment**, in particular eye, face and ear protection.

Pay attention to the **movement of industrial trucks** when walking along aisles. Do not stand under **suspended loads**. **No unauthorized use of machines or equipment is permitted.**

German road traffic regulations apply on company premises. The **maximum speed** on the entire company premises is **10 kilometres per hour**. Parking is only permitted on the **car parks indicated**. The **no stopping or parking signs** must be strictly observed.

All buildings are fitted with **fire alarm systems**. In the event of fire, please remain calm. The first thing you should do is: report the fire to the **Fire Department 0 74 57-112**. Then **warn others** and bring yourself and other persons in danger **to safety along the marked escape routes**. If it is possible due to the circumstances, **try to extinguish the fire** using the fire extinguishers provided. After leaving the building, go to the **assembly points**.
