

RESERVE YOUR SEAT FOR 2018 SPECIAL AMMONIA TRAINING

FREE ENTRY // LEARNING // NETWORKING // RSVP NOVEMBER 9TH

On Wednesday November 21st BITZER will be conducting Special Ammonia Training at the Intercontinental Melbourne The Rialto – Laneway Room, with special guest presenter Mr. Per Skaerbaek Nielson and the BITZER Engineering Team.

The trainings on the day will replicate content presented by Mr. Skaerbeck Nielson at the prestigious Schaufler Academy at BITZER Germany.

Please join us at this special event to share technical information and network with Industrial Refrigeration Consultants, Engineers and Technicians.

We look forward to welcoming you at the Training!
